The Omega Bay Improvement Committee shall have the right to abate such annoyance or a nuisance in any manner deemed reasonable by said committee, the costs expended by said committee for abating said annoyance or nuisance to be secured by a lien upon and against the lot upon which said premises are used for any purpose whatsoever which is an annoyance or nuisance to the other lot owners in said subdivision. Said committee shall not be liable and is expressly relieved from any liability upon any claim, demand and/or cause of action for damages or alleged damages resulting directly or indirectly, from or in any way connected with such action brought to abate such annoyance or nuisance. 18. The Omega Bay Improvement Committee, to perform and fulfill the purposes and functions of such committee in these Restrictions and Covenants set out, is hereby established and created; said Omega Bay Improvement Committee shall consist of three (3) members and shall initially be composed of George Saconas, Edward S. Saconas and Janet Hendrickson, who shall serve as such Omega Bay Improvement Committee until their successors are elected or appointed as hereinafter provided. In the event of a vacancy in said initial committee, for any reason, said vacant position shall be filled by the remaining member or members of the initial committee. - (2) To interpret and enforce the Restrictions and Covenants of Omega Bay, Additions Nos. 1 – 8 and No. 10, and of any and all other Omega Bay Additions made subject to the jurisdiction of said committee by appropriate proceedings, provided, however, that the power to enforce these Restrictions and Covenants is not intended to be and shall not be

exclusive and may be exercised by any other person or persons vested with the right to enforce such Restrictions and Covenants.

- (3) To enforce any lien imposed on any lot subject to the jurisdiction of such committee given and created to secure the payment of the maintenance charges hereinafter levied upon the default in payment of the same.
- (4) To approve or reject plans and specifications and to issue building permits for improvements to be erected upon any lot subject to the jurisdiction of the committee. Notwithstanding any other provisions of these Restrictions and Covenants, it shall remain the prerogative in the jurisdiction of the Committee to review applications and grant approval for exceptions to those portions of these Restrictions and Covenants which relate to buildings and structures upon the lots. Variations from the building requirements imposed by these restrictions may be made when and only when such exceptions, variances, and deviations do not in any way detract from the appearance of the premises and are not in any way detrimental to the welfare of the subdivision as a whole or to the property of other persons located in the vicinity thereof, all in the sole opinion of the Committee.
- (5) To establish eligibility requirements for prospective purchasers and to insure that such requirements are met by prospective purchasers, such eligibility requirements are limited to (a) The purchaser shall have established credit or financial status which indicate a probability that the purchaser will be able to finance a dwelling on the property purchased, and (b) an intended use of the property by the purchaser which is consistent with a well-kept, peaceful, single family residential community.

Said annual minimum maintenance charge shall not be increased unless necessitated by an actual increase in operating costs and said increase must be presented to all lot owners at least sixty (60) days in advance of said increase with a full written

explanation of the reasons and necessity for the increase. Such charges on such lots shall be for the purpose of creating a fund to be known and used as the "Maintenance Fund"; and the owner of each lot shall pay such annual maintenance charge on the first day of January of each year, commencing January 1, 1977, the payment of such maintenance charge to be secured by a lien upon and against each lot of said Omega Bay, Additions Nos. 1 – 8 and No. 10, said maintenance charges and the lien securing the payment thereof are hereby transferred and assigned to the Omega Bay Improvement Committee, and the payment of such maintenance charges shall be made by each lot owner to said Omega Bay Improvement Committee at its office in La Marque, Texas. The costs for collecting all delinquent maintenance charges shall also be charged against the lot upon which the maintenance charge is delinquent and shall be secured by a lien upon and against said lot. The Maintenance Fund so created and arising from said maintenance charges upon each lot shall be applied, by said Omega Bay Improvement Committee, so far as sufficient, toward the payment of maintenance expenses, including but not limited to, improving and maintaining of the streets and common areas in said subdivision complying with governmental requirements affecting the overall subdivision and doing any and all other things necessary or desirable in the opinion of said committee to keep the property of said subdivision neat and in good order, or which said committee considers for the general benefit of said subdivision as a whole, and it is understood and hereby expressly provided that the judgement of said committee in the use and expenditure of said Maintenance Fund shall be final so long as such judgement is exercised in good faith. Such maintenance charge upon each of said lots shall be due and payable, as hereinabove provided, on the first day of January of each year, commencing on January 1, 1977, and for twenty-four (24) years thereafter, and such maintenance charge shall be automatically extended for successive ten-year periods thereafter unless the then owners of a majority of the lots in said subdivision desire to discontinue such charge, such desire by a majority of the owners of lots in said subdivision to so discontinue such charge to be evidenced in an instrument in writing, signed and acknowledged, by such owners of a majority of the lots in said subdivision duly filed of record in the Deed Records of Galveston County, Texas.

21. Each purchaser of a lot in said Omega Bay, Additions Nos. 1 – 8 and No. 10, by his acceptance of a deed thereto agrees and consents to such maintenance charges, and covenants and agrees to pay the same.

22. These Restrictions and covenants shall run with the land and shall be binding on all persons owning lots in said Omega Bay, Additions Nos. 1-8 and No. 10, and all persons claiming under them, for a period of twenty-five (25) years from the date these covenants are recorded with the County Clerk of Galveston County, Texas, after which time such covenants shall be automatically extended for successive period of ten (10) years, unless an instrument signed by a majority of the then owners of the lots has been recorded with the County Clerk of Galveston County, Texas agreeing to change such Restrictions and Covenants in whole or in part or to revoke them.

23. Enforcement of these Restrictions and Covenants may be by proceedings at law or in equity against any person or persons violating or attempting to violate any Restriction or Covenant either to restrain such violation or proposed violation or to recover damages; such enforcement may be by Omega Bay, Inc., the Omega Bay Improvement Committee, and/or the owner of any lot in said subdivision.

24. The violation of any of these Restrictions and covenants shall not operate to invalidate any mortgage, deed of trust or other lien held against said property, or any part thereof, and such liens may be enforceable against any and all property covered thereby, subject nevertheless to these Restrictions and Covenants.

25. Each residence built in the subdivisions must install a natural gas heating system and a natural gas water heater, unless an alternative heating and water heating system is approved by the Omega Bay Improvement Committee.

26. It is expressly understood and agreed that the above Restrictions and Covenants shall apply only to those areas in Additions Nos. 1 – 8 and No. 10, Omega Bay, which are designated by lot numbers within the Subdivision boundaries.

27. If any portion of these Restrictions and Covenants are declared to be illegal or invalid for any purpose, the remainder of these Restrictions and Covenants shall not thereby be invalidated.
